

Institutional Member

Is your institution part of the tertiary, further or higher education sectors? Are your staff currently working in the areas of institutional research, planning and analysis?

Then your institution should consider becoming an institutional member of AAIR with nominated staff becoming members. To be eligible, the institution must have staff with a minimum of two years appropriate experience in institutional research, planning and analysis, or equivalent experience according to AAIR [Rule 5.3 Eligibility for membership](#).

Your institution can join and have either of our 2 classes of Institutional membership:

- Institutional Lite (up to 5 members)
- Institutional (up to 10 members)

Each staff member is entitled to the same privileges as individual members of AAIR. If you experience staff turnover among your nominated members during any calendar year, you may request for their membership be transferred to another employee for continuity of your team's access to the AAIR network and its services. To apply, please complete the online application form and include the name and contact details of each member you are nominating.

[Join the AAIR Community](#)

The classes of Institutional membership are:

- Institutional Lite
Up to 5 nominated members – \$450 per annum (ex-GST)

This is designed for small to medium sized institutions or units but is not limited to those institutions or units. In this class, the institution can nominate up to 5 eligible persons who will have the same rights as individual members. The institution has the right to transfer membership should a nominated individual either choose to no longer be a member or leaves the institution, as long as the institutional fees are up to date.

- Institutional
6–10 nominated members – \$900 per annum (ex-GST)

This is designed for larger institutions or units. As for Corporate Lite, members would have the same rights as individual members and membership is transferrable within the institution.

Do you have more than 10 team members you would like to become members of AAIR? Please contact us to discuss your specific needs. Price on application and subject to negotiation.
