4. Treasurer's Report and Financial Statement

- AAIR has net assets of \$153K as at June 2017.
- The loss of \$11K is due to investment in the new website. The committee supported this strategic investment into the future of AAIR, otherwise AAIR would have returned a profit of \$13K.
- The relationship between AAIR and ANUP remains strong and AAIR has provided Executive Officer support to ANUP this year.
- AAIR's Auditors have completed an audit report for the Year ended 30th June 2017 and essentially finds AAIR to be a sound ongoing concern.
- The Treasurer's report endorsed the Auditor's recommendation an annual self-assessment of the Association's not-for-profit income tax exempt status.
- The Treasurer thanked members of the Executive Committee for their ongoing support.

The Treasurer's and Auditor's Reports were accepted by the meeting.

Moved: Dean Ward

Seconded: Penny Szybiak

5. Amendments to AAIR rules

The President moved to pass a resolution to amend the rules of AAIR, a summary of the key changes being:

- Merging of the categories of membership of honorary life member and life member so that AAIR only has one life member category. All current honorary life members will thereby become life members and the number of life members increased from ten to twenty.
- Change to the requirements of becoming a retired member of AAIR, reducing the number of years of membership required prior to applying for retired membership and allowing the Committee to approve applications for retired membership at its discretion.
- Other editorial changes as deemed necessary or appropriate.

There was discussion following concerns raised by Wendy Marchment and on behalf of Veronica McDowell and Dennis Ham pertaining to the proposed changes, specifically:

- The category of life membership was established in recognition of the significant work done by members of AAIR at the time and merging the two categories as proposed and increasing the number of life members may dilute the significance of life members.
- The financial implications to AAIR of increasing the number of life members given the exemptions provided to such members.
- Some confusion around the proposed changes as reflected on the proxy form.

The President explained that the changes proposed have been discussed at length by the Executive Committee and had been established with a view to future proofing AAIR.

Following further discussion, members present voted in favour of the amendments to the rules noting the objections raised by Dennis Ham and Veronica McDowell to increasing the number of life members to twenty.

Carried: Kathie Rabel, President

6. Life Membership Nominations

The president informed the meeting that the committee received two nominations for life membership.

- **Dave Marr** is nominated for life membership for his long service to AAIR including as President, and his many contributions to the advancement of IR.

Members voted in favour of conferring Dave Marr with life membership.
